

Loan Originator Compensation Agreement

Broker acknowledges it has developed and implemented compensation plans for its Loan Originators which (1) prohibit payments to its Loan Originators that are based on the loan’s interest rate or other loan terms or conditions, (2) prohibit Broker or its Loan Originators from receiving payments directly from a consumer while also receiving compensation from the creditor or another person, and, (3) prohibit Broker or its Loan Originators from “steering” a consumer to a creditor in order to increase the Broker’s or Loan Originator’s compensation. Broker shall ensure that its policies and procedures regarding Loan Originator Compensation comply with the rule set forth in the TILA, Regulation Z (12 CFR §1026.36(d)-(e)).

I. Prohibitions on Steering

Loan Originators must provide the consumer with loan options from a significant number of the creditors with which the Loan Originator regularly does business. For each type of transaction (i.e. fixed rate or ARM), in which the consumer expressed an interest, the loan options presented must include:

- The loan with the lowest interest rate
- The loan with lowest origination points, origination fees, or discount points
- The loan with the lowest interest rate without certain features, including:
 - o A prepayment penalty
 - o Interest-only payments
 - o Negative amortization
 - o A balloon payment in first seven years

Loan originators must have a good faith belief that the options presented are loans for which the consumer likely qualifies. Loan Originators must obtain options from at least three creditors, unless the Loan Originator regularly does business with fewer than three creditors. If more than three loan options are presented, the Loan Originator must highlight the loan options that satisfy the required criteria noted in the Final Rule (the Loan options bulleted above).

Loan originators will be required to provide an anti-steering certification with each loan package submitted to Guaranty Home Mortgage Corporation, for all loans that have Lender Paid Compensation.
