VA Refinance

Cash-Out Refinance Type I

- A Type I refinance is a transaction in which the new loan amount (including the funding fee) **does not exceed** the payoff amount of the current loan.
- All VA Refinance Requirements must be met.
- Interest Rate Reduction – Fixed Rate to Fixed Rate transaction: The new interest rate must be at least .50% lower than the current interest rate.
- Fee Recoupment (MUST be met if the current loan is a VA loan)
 - The recoupment period of all fees, closing costs (excluding prepaids) must not exceed 36 months from the date of the loan closing.
 - To calculate the recoupment period: divide all fees, closing costs (excluding prepaids) by the reduction amount of the P&I payment as a result of the refinance.

Cash-Out Refinance Type II

- A Type II refinance is a transaction in which the new loan amount (including the funding fee) **exceeds** the payoff amount of the current loan.
- All VA Refinance Requirements must be met.
- In the state of Texas, incidental cash back to the borrower at closing is not permitted, including incidental cash back as a result of POC fees being refunded to the borrower.

VA IRRRL

Net Tangible Benefit Verification

Every IRRRL must meet a Net Tangible Benefit (NTB) test. By transaction, the NTB requirement is satisfied by:

Transaction Type	NTB Requirement
Fixed to Fixed	A minimum decrease in the interest rate of .50%.
ARM to Fixed	No interest rate reduction requirement, however, the loan must either meet recoupment or have no closing costs, fee, or expenses other than prepaids if payment is the same or increasing.

Seasoning

- The note date of the refinance loan must be on or after the later of:
 - The date on which the borrower has made at least six consecutive monthly payments on the loan being refinanced, and
 - The date that is 210 days after the first payment due date of the loan being refinanced.

Note: Deferred monthly payments during a forbearance period must not be considered when calculating the new note date, unless 6 consecutive monthly payments were made prior to the forbearance period.

Recoupment

- Recoupment of the fees, expenses, and closing costs must not exceed 36 months when the P&I is reducing.
- When the P&I is **not** reducing, recoupment does not apply, however, the Veteran may not incur any fees, closing costs or expenses other than taxes, amount held in escrow, and VA Funding Fee.
- When refinancing an ARM, the current monthly P&I payment must be used in the comparison.
