

IMPORTANT UPDATE
BULLETIN 46-09292022

Issued to: All Channels
Date: 09-29-2022
Subject: Hurricane Ian Power Outages
Effective: Immediately

GHMC has several Underwriters based out of Florida that are currently without power due to Hurricane Ian. If you are unable to reach your underwriter, please contact your Loan Account Manager (LAM) for assistance. We know that utility companies are working diligently in affected areas and hopefully power will be restored quickly.

Our thoughts are with any of our partners adversely affected by Hurricane Ian.

We appreciate your business!
