## BORROWER APPLICATION PORTAL

Scan to Demo

-  We provide a secure borrower application website personalized to your branding
-  Emails are sent on your behalf so borrower(s) can easily communicate with you
-  Branding includes your company colors, company logo and loan officer picture
-  Loan Officer is notified via email when a borrower creates a login, application status, when a borrower uploads items
-  A web link and QR code will be provided to you to add to your email signature, website, and marketing material
-  Borrower(s) are notified when they submit an app successfully, reminders for an incomplete app, and for open to-do list items remaining
